## **TAKE CENTER STAGE: THE WRITER'S JOURNEY**

*Promote Your Story, Book, or Learn How to Get Started in Writing and Telling Your Story  
July 29th – 31st, 2021*

**LAS VEGAS, NV (July, 2021)** — Is it time for you to Take Center Stage? The power and value of the content is in your story to impact others. Writers and aspiring writers alike, have until June 15th to take advantage of the early bird registration for this historic event. Take Center Stage: The Writer's Journey will be one of the first large events of its kind post Covid that will take place in Las Vegas, NV.

In collaboration with the **Action on Film Mega Festival** and presented by Jim T. Chong of Elite Publications and Catapult Multimedia Publishing of Wok Star, LLC, Take Center Stage is uniquely poised to help writers at any point in their journey. *"Take Center Stage is a must-attend! Our goal is to inspire the writer in you and give you the tools you need to launch your book and monetize your message,"* said Chong.

Time, doubts, or lack of direction are merely some of the blocks holding writers back from putting their words on paper and sending the finished manuscript to a publisher. **Take Center Stage: The Writer's Journey** is the premier writer's event of 2021 that will give writers the nudge they need at every stage of the process.
